

THE VEDAPUTRA SCHEME

(Vidya Daanam)

In our Indian culture, it has been a tradition that those who study the scriptures and impart religious knowledge are held in high respect and their education, livelihood, etc. is supported by the society. Unfortunately, the tradition is fast diminishing. However, we, Chinmaya Mission, Coimbatore, are trying to salvage it by starting a residential course for the same. To impart education and livelihood to those who will in turn spread our spiritual knowledge and culture and aid our religious rituals (i.e. the Purohitas) is truly noble. Hence, we **request you to join us in this noble seva, by sponsoring the education of a purohit.**
