

## CHINMAYA EDUCATION CELL SCHOLARSHIP

“If your Children become indulgent and comfort loving, they will sin and our business will go to ruins. Do not ever give your wealth to such useless children. Distribute it to the poor, before it falls into their hands, Do remember that you are the ‘Trustee’ of this wealth. We brothers have really worked to increase our business. Do see that the wealth is rightly used ” – Shri G.D. Birla. (Founder of the Birla Empire in a letter to his son)

Food given in charity (anna-daanam) satisfies one man’s hunger for a day, but education given in charity (vidyaa-daanam) empowers a man to make his life and livelihood, and support himself and his dependents. This service of humanity (maanava-sevaa) is the service of the Lord (maadhava-sevaa). To help the needy is our duty and privilege.

**Please offer your maanava-sevaa in the form of vidyaa-daanam, and sponsor a child’s education so he can make his own life and livelihood.**

The Chinmaya Education Cell Scholarship benefits those Chinmaya Vidyalaya students who are academically brilliant but in need of financial assistance in order to continue their school education. All funding received is allocated and prioritised to the most meritorious and needy students. Scholarships cover nominal school fees, uniforms, books, stationery, and transportation expenses. Scholarship renewal is awarded based on an annual review of student records.

Please donate generously. All donations are tax-exempt under IT Section 80G. Donors have the option of specifying their name for the Title of the scholarship (individual sponsor’s name or a family name). The following are the categories for the options in which donation could be made –
