ॐ श्री ललिताम्बिकायै नमः ।

She is the mother of the universe, the supreme goddess; lovingly worshipped by all deities, the source of infinite prowess.

The Supreme Goddess manifests herself as Icchāśakti, Jñānaśakti and Kriyāśakti; power of will, knowledge & action. She is not only the power of Brahman, but she is Supreme Brahman in a female form. She is the divine mother, who creates the Universe, sustains it and dissolves all negativities. She is the one who grants Bhukti and Mukti - worldly enjoyments and spiritual enlightenment.

Navaratri is the grand Indian festival that celebrates feminity, Supreme power and Truth through nine days of special Worship of the Universal mother. She is worshiped as Durga, Lakshmi and Saraswati.
