Sir,

We are glad to inform your good selves that after receiving an overwhelming response for our Chinmaya Geeta Chanting Competition in Dec 2019 we are inspired to conduct Manache Shloka Chanting Competition for school students of Ponda Taluka this year on 23rd Feb 2020. Manache Shlokas written by Shri Samarth Ramdas Swami are very useful advice for our mind on how to lead a value based spiritual, religious and social life. Byhearting such shlokas and reflecting upon their meanings will definitely bring a positive change in the young hearts thereby making their positive contributors to the society. It not only improves the pronunciation of Marathi language but also improves memory power and concentration.
